As a vertical manufacturer, we offer the same high-performance liquid-cooled battery packs used in our C& I systems. Perfect for system integrators seeking reliable, high-density energy modules.

Housed in a weather-resistant IP55 cabinet, it combines a 100kWh LiFePO4 battery pack with 50kW charge/discharge capability, supporting real-time monitoring and remote control via Ethernet, RS485, ...

The HighJoule 100KWh Outdoor Cabinet Series offers a robust solution for commercial applications, featuring a 100KWh LFP or SSB battery with over ...

Buy AZE's ESS Battery Energy Storage Cabinet, it is highly integrated, all-in-one solution with versatile application scenarios, this series provides efficient, safe, ...

As the leading vertically integrated manufacturer of lithium iron phosphate battery systems, GSL ENERGY has provided various battery solutions for nearly all kinds of ESS applications.

Built with standard 5.12kWh battery modules, the system supports 4-14 modules in series for flexible voltage and capacity configuration. With up to 8 clusters in ...

The BF100 is a DC-coupled battery cabinet for commercial and industrial energy storage. With the capacity of 71, 86, 100 kWh it can seamlessly work with Autarco hybrid inverters to achieve high ...

The 100kWh LiFePO4 solar battery storage cabinet (LZU-ESS-100A) is an efficient, compact solar battery storage cabinet for small-scale industrial and commercial energy storage applications.
