Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.

Liquid-cooled energy storage lithium iron phosphate battery station cabinet Ranging from 208kWh to 418kWh, each BESS cabinet features liquid cooling for precise temperature control, integrated fire ...

The Cabinet Battery SLE Series redefines energy storage for solar farms, commercial complexes, and urban microgrids. Designed for high-density energy storage, this modular cabinet system delivers ...

The 150KW/372KWh Outdoor Cabinet Energy Storage System, made by Huijue Group, is an integrated cabinet enclosure that contains batteries, Battery ...

The All-in-One Energy Storage System by Huijue Group seamlessly integrates a solar inverter and a lithium battery, delivering an efficient and reliable new energy solution.

Huijue Group's industrial and commercial energy storage system adopts an integrated design concept,

150kW Lithium Battery Cabinet in HuiJue

integrating batteries, battery management system BMS, energy management system EMS, modular ...
