For Amazon or eBay affiliates it is very difficult to earn "thousands" in commissions, let alone millions. I get a kick out of people trying to sell an ebook where they claim their Amazon ...

In the past Amazon has always paid commissions on items I've ordered through my own aff link. But now something seems broken. Check Amazon's Appropriate Conduct section in your ...

Hi All, I have a number of sites earning commissions through Amazon affiliate links. Currently, i use the redirections plugin ...

Without a doubt, Amazon has the best conversions of any affiliate program. This is based on personal experience and what I have noticed to be the general consensus Having said that, some ...

Good advice & nice examples- thanks for that. These Amazon affiliate shop sites seem to be much less work, certainly when you use a plug in like wpzonbuilder which seems to be quite ...

It is against Amazon's TOS to place affiliate links directly in an email, but a very powerful conversion method used by top affiliates is to send subscribers to their presell/review pages, ...
