The Advanced Solar Generator is a power generator block added by the Mekanism mod. It uses solar energy to generate power of up to 300 J/t (120 RF/t). It can store up to 200 kJ (80 kRF), with a ...

The Advanced Solar Generator only produces full power during a clear day. It ...

What is the bug? Tried to craft an advanced solar generator. once I placed one solar generator into the Crafting grid game crashes. and would not launch until I downgraded the world.

Here you can see a farm of advanced solar generators behind a single solar generator. They're stacked right next to each other so it's hard to tell where they ...

Radioisotope and nuclear generators are completely safe, however they all require advanced components to be constructed. Original authors: sulusdacor, james76543.

Mekanism Solar Generators in situ. The Advanced Solar Generator is a block added by Mekanism. It produces approximately 120 RF/t during daylight hours. ...

After taking away the solar panels & a reboot of the server, the issue was gone. We've so far noticed this behavior with the Hybrid & the Ultimate solar panels. So I did some tests to see if I could replicate on ...

This issue was previously reported under #7932 but the reporter closed the issue since their resource pack replaced the model and/or fixed their issue. This was seen in the Craftoria ...

That's not a bug, that's a feature. There's no point of generating power if there's nothing to receive power. Try sticking a battery in there.
