Design your own lithium battery with the Battery Customizer. From voltage to layout, we build custom packs with American precision and trusted power.

Our team specializes in custom battery pack specifications, actively participates in production processes, and is dedicated to supporting your engineers in ...

Whether you're retrofitting existing equipment or launching something entirely new, we design and manufacture lithium-ion systems, including HV battery systems, tailored to each application.

Need a customized lithium battery solution? ZEMBATT provides tailor-made battery packs for unique energy storage and industrial applications.

Buy custom lithium battery packs that provide reliability and efficiency from Voltaplex Energy.

With over 20 years of experience, NPP Power specializes in custom lithium battery pack manufacturing. We provide tailored energy storage solutions that ensure ...

Since 1965, Custom Power has designed and assembled custom battery solutions for critical OEM devices. We provide battery pack assemblies in all chemistries and for all electronic applications, all ...

Explore custom lithium battery solutions for commercial and industrial use. From idea to product, we customize lithium-ion batteries to fit your exact needs.
