Your reliable manufacturer of barrel pumps, container pumps, vertical and horizontal eccentric screw pumps, as well as hand pumps with an optimal price-performance ratio.

Our products cover all MV applications, including primary distribution switchgear with specific performance for power plants and power ...

We supply metal clad medium voltage switchgears designed for medium voltage electrical distribution up to 24kV. Find out more.

Since 1963, ALFAQUADRI S.r.l. has been operating successfully in the design and manufacture of solution for energy management in industrial plant.

T.M. has realized and tested TMclad an Medium Voltage air-insulated switchgear for primary distribution. It's composed by modular prefabricated unit for interior, combinable with a metallic ...

Medium voltage switchgear for reliable primary and secondary distribution available in air-insulated (AIS) and gas-insulated (GIS) options. Learn more!

The global market for medium and high voltage gas insulated switchgear (GIS) is projected to grow at a compound annual growth rate (CAGR) of approximately 6-8% over the ...

We operate in Italy and abroad in the following sectors: industry, service, energy, public works, and the recovery of protected property with an innovative and tailor-made approach.

Certified by CESI to IEC standards. We provide primary and secondary medium-voltage switchgear suitable for distribution networks and ...

ELECTRONSYSTEM MD is a leading Italian company that specializes in developing and producing a wide

Factory price 480v switchgear in Italy

range of products for medium (MV) and high voltage (HV) switchgear. They ...
