I'm interested in floating the Sol Duc from HWY 101 to Leyendecker in my 8" pontoon boat. Is this section of the river suited to that boat?

I'm about to pick up a personal raft (Watermaster, NRS Boundary 100, or Outcast Clearwater) and wondering which rivers a craft such as these would be decent/safe to float as a ...

Has anyone ever floated this area? From what I've managed to dig up so far is it's about 15 miles and there is a campground about the 10 mile mark. What I hope to find is a map the shows ...

Hi All, I am looking to float the Wynoochee River in a pontoon boat in the next couple weeks. I was hoping to find out if floating the lower river is worth it or is the water too slow? Are there ...

Looking for some fly line recommendations for an 8ft 3wt hardy zephrus for small creek applications with the occasional use in a small pond for sunfish/bream. Currently running the SA ...

I'm considering a multi-day float trip down the Grande Ronde later this Fall. I fished the river once years ago but have never floated it. Any thoughts/advice regarding the difficulty of the ...

Thinking of taking a raft down the upper Hoh tomorrow. Fished it, but never floated it before. Does anyone know of any obstructions or sections that may pose a potential boating risk? ...

Best floating line for 4 wt? Jump to Latest 7K views 8 replies 7 participants last post by oldskool May 7, 2010  
G

16" pontoon is a pretty big footprint on the water, larger than most driftboats I think, and the Sol Duc gets pretty bony at lower flows. I've only floated the lower end, Rayonier to Leyendecker ...
