-----

Honduras's power grid is extensively developed in all departments except the easternmost department, Gracias a Dios. Honduras has granted distribution concessions to 7 utilities nationwide, with the state ...

Meanwhile, Honduras' national electricity grid, operated by the Honduran National Electric Company (ENEE), is in deep financial distress. Much of its deficit is the result of the loss of nearly ...

Energy Situation  
Electricity Situation  
Key Problems Hampering Access to Modern Energy Services in Rural Areas  
Institutional Set Up and Actors in The Energy Sector  
Policy Framework  
Opportunities For Rural Electrification  
Further Information  
Honduras power sector started a deep restructuring in 1994, as a consequence of a crisis. As a result, a new Electricity Law was elaborated which opened the possibility to generate, transmit and distribute energy, which was being managed exclusively by the state-owned Empresa Nacional de Energia Electrica (ENEE). Another important step was to separ...
