## North Korea s large mobile energy storage vehicle manufacturer

Since 1950, Sungri Motor Plant in Tokchon has been North Korea's first and largest motor vehicle plant, producing urban and off-road passenger cars and small, medium, and heavy cargo, haulage, construction, and off-road trucks and buses under the names Sungri and Jaju, among others. It was the most capable plant of the North Korean automotive industry before being surpassed by Pyeonghwa Motors. All mode...
