How to Claim The Credit
Related Resources
You may claim the residential clean energy credit for improvements to your main home, whether you own or rent it. Your main home is generally where you live most of the time. The credit applies to new or existing homes located in the United States. You can't claim the credit if you're a landlord or other property owner who doesn't live in the home....See more on [irs.gov](https://www.irs.gov)
