Enjoybot 12V 150Ah lithium battery features an automatic self-heating function. When the temperature drops below 32°F (0°C), charging is automatically suspended, and the built-in heating pad activates ...

The battery pack adopts the advanced LiFePO4 battery technology with the advantages of long cycle life, small size, lightweight, safety and environmental protection, and also has a strong environmental ...

Our management and technical teams are from top domestic enterprises, with over 14 years of research and development, ...

JUST Battery is a leading manufacturer of 12V 24V 36V 48V lithium iron phosphate batteries (LiFePO4), and supplier of All-in-One off-grid solar system. Whether you are an RV, marine, or off-grid ...

DC HOUSE 12V 150Ah LiFePO4 battery offers low temp protection--ideal for RVs, boats, solar & off-grid use.

The TunFei Energy 12V 150Ah lithium battery offers stable, long-lasting energy for home solar storage, campers, and power backup. Safer and longer-lasting than lead-acid batteries.

SLA replacement LiFePO4 battery packs are available in 12.8V with capacities of 60Ah, 100Ah, and 150Ah. Ideal for solar battery storage, these rechargeable lithium batteries offer high-performance ...

This battery is ideal for solar storage systems, RV power setups, and off-grid installations that demand higher capacity without sacrificing reliability. Its design supports frequent cycling and long-term use, ...

Lightweight, powerful, and with a long viewing time, this lithium-ion battery is particularly suitable for cycling (charging and discharging the battery frequently).
