(That club has a range the length of your arm. What's the range of bad guy's gun?) "Incapacitate the shooter" with stick man knocking gun out of shooter's hand. (Good luck getting that ...

We had our Dirty Harry practice match this afternoon (we have two per month)....a couple of times/year, we change things up.....once/year, we will shoot...

The biggest secret to a good crimp, is keeping "all" Your cases trimmed to the same length. All cases, even in new ones (even from the same batch) are not necessarily the same length, ...

Overall Length: 35" Extended / 32" Collapsed Stock: 6 Position Telescopic Weight: 6.5 lbs. / 2,948.4 g Barrel Material: 4140 Steel Barrel Finish: Melonite® Receiver Material: 7075 T6 ...

If I have to full length resize or run a case through the body sizer, I use the messy ol' lube pad with RCBS lube. Messy but effective. I put everything in the tumbler after deprime and size, so ...

These are perfect excuses to rotate your magazines and ammunition after each use including those that have been carried or stored for any significant length of time.

Many M1A shooters I know have expressed concerns with the SOCOM 16's reliability due to the short barrel length. This stems from the theory that the short length may prevent the gas ...

So last week I finally got around to visiting: LuckyGunnerbullets In Kernesville, NC. I spent time with Don discussing powder charges for the 38 Super race gun. I had a problem with it ...

Took a friend of mine to my range yesterday morning and got to shoot a real piece of history. He has a Springfield Armory M1 Garand, what a gas. The last one I got to shoot was a ...

The brass is range brass, I normally full length size myself. I have never neck sized my self, full length works

The length of the wind turbine blades

for me. Beside around here I can get 30 30 brass pretty easy. Yea I am looking ...
