With the transaction complete, Sunrun solidifies its position as the leader in home solar and energy services across the United States and a top ...

Vivint Solar was an American provider of photovoltaic solar energy generation systems, primarily for residential customers. The company was established in 2011 as an offshoot of home automation and security company Vivint and was headquartered in Lehi, Utah. The company primarily used a power purchase agreement (PPA) business model where Vivint Solar installed and maintained a solar system on a customer's h...
