Specifications subject to technical changes and tests. JA Solar reserves the right of final interpretation.  
Remark: Electrical data in this catalog do not refer to a single module and they are not part of the ...

Rating: 325W Efficiency: 19.3% Width: 996mm Height: 1,689mm Depth: 35mm Weight: 18kg Connector: MC4  
Downloads &gt; JA Solar 325W Monocrystalline Solar Panel Datasheet

Assembled with high-efficiency PERC cells, the half-cell configuration of the modules offers the advantages of higher power output, better temperature-dependent performance, reduced shading ...

JA Solar Technology Co., Ltd. Solar Panel Series JAP72S09 325-345/SC. Detailed profile including pictures, certification details and manufacturer PDF

SKU: JAM60S-17-320-MR-AB-MC4 Categories: .JA Solar, JA Solar Tags: JA Solar 325W Mono MBB Percium Half-Cell All Black MC4, Solar panel 325W ...

See the table below for available information we have about Shanghai JA Solar Technology Co Ltd JAP72S09-325/SC/1000V solar panels. We do our best to provide information such as the ...

These double-glass modules assembled with bifacial PERCIUM cells have the capability of converting lights incident on their rear side into electricity on top of what is being generated by the front side, ...

The JA Solar JAM60S09-325/PR panel delivers 325W. Maximum current and voltage are 9.72A and 33.44V respectively. As for physical dimensions, the panel is 1657mm tall and 996mm, wide, and ...

Innovations Increase The Output Longer Lifespan and Lower Chance of Defects Comes with Strong Warranties JA Solar provides a 12-year product warranty for its panel and 25-year linear power output warranty. The module loses no more than 2.5% of its output in the first year of operating. It retains over 80%

## Weight of JA Solar 325W photovoltaic panel

of its output after 25 years in service. Weight 41.23 lb Size 66.5 x 39.2 x 1.378 inches See more on
